Dear SLO Putrah:

It was a pleasure to make your acquaintance a few weeks ago at Gjusta. The BID now has executed agreements in place with Allied Universal (safe team) and Chrysalis Enterprises (clean team) and we are working towards a launch on or around May 1.

Today, I passed along your contact information to Allied representative Tad Garabedian and Mark Simmons. Allied should be in touch soon. If you do not hear from them shortly, please let me know and I'll follow up.

Attached is a map of our BID for reference.

Warmest regards,
Tara
